

TEXAS HISTORY SCHOOL SHOW

We have been traveling the great state of Texas bringing it's history to life through songs and tales for over 10 years.

Our unique historical and hysterical performances by Camp Cookie's Trio or Camp Cookie solo encourage children to sing & dance along while learning the wonderful history of the Lone Star State! We tell stories of Texas through song and narration.

From the events that lead to the Texas Revolution and the cowboys life on the cattle trails. We incorporate stories that tell of our Tejano and African American heroes and the 'Fathers of Texas' such as Davy Crockett, Stephen F Austin, William B Travis just to name a few and the contributions of the women and children. Through these stories we focus on instilling their good values in our youth and teaching them of the sacrifices that helped make Texas what it is today.

Other features of our program include a 1880's chuckwagon camp set up, cowboy & cowgirl poetry writing contest, coloring contest, stick horse rodeo, cowboy puppet show, lasso demonstration and cow chip toss.

Contact us today to find out how Camp Cookie can visit your school for an experience your students will never forget.
